

A Great Place to Start

Individual Coaching

A one-on-one discussion of your natural talents.

Find your unique glide pattern. Work one-on-one with a Kolbe Certified Consultant to understand your Kolbe A™ Index report and how it applies to you, personally and professionally. Throughout the discussion, you gain concrete strategies for reducing stress and enhancing your individual productivity.

Introductory Kolbe Workshop

A one-day workshop for you and your team.

Take your team to new heights with this one-day workshop. Through interactive, group exercises, Launch shares the fundamentals of the Kolbe Wisdom™ and, most importantly, how it affects individual and team success. Team members will better understand their unique contribution to the group and how to delegate to others.
